Location: Estes Park High School

EVENT DESCRIPTION

Apprenticeship fairs are similar to other career fairs. It's a time where prospective apprentices can come to one venue and explore potential employers. At these events, CareerWise will offer interview preparation, resume preparation, and an application station for students to apply onsite.

BUSINESS COMMITMENT

Participating businesses are asked to staff a booth, meet potential apprentices and explain your company's mission and the role of the apprentice. For high school students, seeing is believing! We recommend bringing company swag and preparing a short interactive activity or experience that allows students to get an inside look into your company.

BUSINESS RECRUITING OPPORTUNITIES

COMPANY TOURS

FRONT RANGE - FEBRUARY 1st | 9AM – 2PM

GRAND JUNCTION - FEBRUARY 1st | 9AM – 12PM

EVENT DESCRIPTION

Educators are our greatest champions! Current apprentices name their teachers and counselors as the person who first introduced them to a CareerWise apprenticeship, and they are the ones who understand students' interests, skills and career goals. Thus, it is important for educators to see the incredible experiences our business partners are offering in the workplace.

BUSINESS COMMITMENT

We ask that you choose a 30-minute time slot between 9 am – 2pm on February 1st to give a tour and explain your open apprenticeship positions to 10 - 15 educators from a nearby school district.

INTERVIEW DAY

FEBRUARY 12th | TIME TBD

EVENT DESCRIPTION

The Interview Day will take place during Round 1 of the Marketplace and will allow you to condense interviews into one day's time by coordinating with applicants who you believe would be a good fit for your company.

BUSINESS COMMITMENT

Communicate with applicants you are interested in interviewing and coordinate a time slot during the interview day. We ask you send at least two staff members to this event. This will allow for at least one staff member to interview students during their slotted time and other staff members to speak with other students about your company's apprenticeship opportunity.
